

# Bioblitz *at* Muriwai o Whata

Find and identify as *many* species as possible!

Celebrate biodiversity in this area of cultural and natural significance as you join the search for flora and fauna alongside experts sharing their knowledge.

Held within the shelter of Te Pā o Moki at Taumutu, embraced within a korowai/cloak of Te Hapū o Ruahikihiki and the descendants of Moki as kaitiaki/guardians of the area. We welcome you to come and share your time and knowledge of this cultural and biodiverse rich hapua.

**18 February 2023**  
**9am–5pm**

On site at Muriwai o Whata/Coopers Lagoon.  
Located within the Selwyn District, just South of Taumutu.

Lunch provided. RSVP essential to
